## ***Lord, Every Nation on Earth Will Adore You (Psalm 72)***

*For the Feast of the Epiphany our liturgy contains four scripture passages that tell us about God's vision of reality. Each one says the same thing, but with different words. Each passage says that God foresees a day when all people of all nations will be living in harmony and worshipping the one true God.*

*The prophet Isaiah says it this way: "The day is coming when all nations will come together to live in God's light." Our Responsorial Psalm says: "Every nation on earth will adore God."*

*The reading from Ephesians says: "The wall has been taken down. In times past there was a wall separating us from the Gentiles. But the sacrifice of Christ has removed that wall and we are now members of the same body and partners in the promise in Christ Jesus."*

*Matthew's Gospel says that Magi from the East came to worship the Christ Child. The Magi represent foreign nations and their pilgrimage to see the Christ Child tells us that God's salvation is for all nations, not just one nation. Thus, it is God's plan that all people of all nations will be saved and that they will live together in harmony.*

*Today we praise and worship the Lord for offering the gift of salvation to people everywhere.*

*Fr. Jerry Schik, OSC*
